Take the Twilight train for your next corporate event or that special occasion!

Our train is spacious and fully equipped with four different carriages you can move in and out of - a dance floor with a DJ, cocktail room with a bar and a quiet lounge area with private compartments to take in the views. We depart from Southern Cross Station and can proceed anywhere on the Victorian railway network, while enjoying food and beverages. At our half way mark you may disembark before heading back to Melbourne while enjoying dessert on board the party train.

We can also create any atmosphere suited to your requirements. We have a range of entertainment available such as Bands, Karaoke, Mime artist, Mock Casinos, Comedian's, Magicians, Hollywood Impersonators and more. Choose to make your event all glamour with gourmet foods, wines and a band, or a casual fun party with drinks, scrumptious finger food and a funky DJ.

\*Please note: The train will operate with a diesel engine
